Dear Pastors, Churches, and Prayer Partners,

We would like to say thank you for your faithful prayers and financial support! Because of your faithfulness we are getting ready to celebrate our 1st Anniversary with the church here in Toluca, Mexico!

1st Anniversary of Church Plant

On the 3rd of May we will celebrate our 1 year Anniversary! It's hard to believe how fast the last year has gone. We are excited to say that Brother Fred Kindhart will be here with us for this special day and will be preaching the morning service. We also will have a special time of prayer as we move forward as a church!

Bible Institute

Because of the spiritual growth in the church over the past year, we will be starting a Bible Institute in the month of May. We praise God that there are people that desire to grow and work for the Lord! We hope to have around 5 people studying in the first trimester!

Church Growth

God has been adding more people to the church over the past two months. I have been praying for more young men to train and God has answered this prayer. We now have 4 guys that are helping out during the services and also desire to study in the Bible Institute. We have seen God's hand at work and we are excited about the future days!

Please know that your faithful giving and prayers are not in vain! God is truly building His church and this is just the start of something greater here in Toluca, Mexico!

Please email our family at jonathananderson@mwbm.org if you would like to receive our "Tuesday Testimonies From Toluca" each week.
